

INDUS MOTOR COMPANY LTD.

Ref# SHE/EMS/P/02

Environment Policy Statement

Indus Motor Company (IMC) is committed towards protection of environment by minimizing impact through pollution prevention, conservation of natural resources and continual improvement.

This policy is applicable on business practices followed within the premises of IMC and shall be followed by all employees, contractors, suppliers, dealers and visitors working in IMC.

Our principles are:

Conserving natural resources & energy by continuously improving our processes and measuring performance.

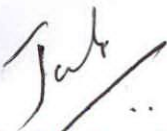

Ensuring compliance with relevant environmental regulations, laws and other requirements.

Proactively promoting environmental awareness and knowledge through trainings to employees and contractors.

Establishing and reviewing environmental objectives and targets to ensure better environmental performance and improvement of management processes.

Managing operations in an environment friendly manner by anticipating, evaluating and mitigating impacts of operations at each stage from production, resource utilization and waste disposal.

Continually improving our processes to minimize pollution and waste.

Ali Asghar Jamali
