TIMELESS SOPHISTICATION

The New Luxury Wagon creates new value to people's traveling time; a value more than a mere mode of transport. And that value is the "Invisible Experience" which comes from the spaciousness that New Luxury Wagon is proud of. By the personal space that the New Luxury Wagon offer, passengers would be able to enjoy view from the window and spend their own time in luxury.

INTELLIGENT DESIGN FOR EASY DRIVING

Intelligent design assures improved control and driving ease at all times. Essentials, indicators and switches are positioned for maximum visibility and intuitive operation and the panel-mounted shift lever allows pass-through access from either side of the cabin.

Ergonomic seat design contributes to a fatigue-free driving experience on long trips and in stop-and-go city traffic, keeping you refreshed, alert and focused on the road ahead.

Back Seat with Seat Belt

Multi-Functional Digital Display

SUBLIME ELEGANCE

Elaborated designs of the instrument panels and its surroundings; elegant decorations and advanced/futuristic monitors. The image expresses that the drivers can also work with pride and confidence by driving the New Luxury Wagon

Dial controls with center buttons

Dual A/C controls

A/C Dial on Back Seat

4-spoke urethane steering wheel with manual tilt

Audio includes radio and CD player

Reclining seats with seat belts

Lower glove box

Mug Holders

CRAFTSMANSHIP DEFINED

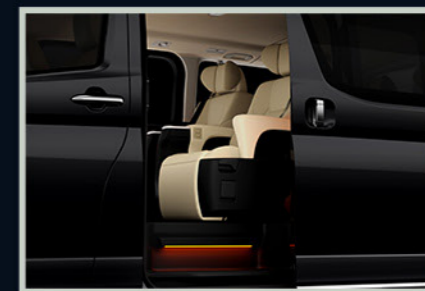

New Luxury Wagon's exterior, which is decorated based on new HIACE, perfectly suits the cityscape. Its dignified elegance is appealing even in urban modern city. The image expresses the expectation that the New Luxury Wagon would offer extraordinary time to the passengers while traveling.
